As you are aware, the 35<sup>th</sup> Managing Committee of FAFAI has taken charge earlier this month under the dynamic leadership of Shri Hasmukh bhai Patel as President.

Your Managing Committee is enthused with ideas and programmes, for the next two years and beyond, in the service of all our members and the F&F Industry as a whole.

To introduce you all to the new team and start the new term with a sense of national pride and commitment, we chose the land of the Mahatma to begin the journey for this new committee.

We whole-heartedly invite you to be a part of this gathering and earnestly seek your support and blessings, and your presence will be a source of great encouragement for us.
